

A. JOB DESCRIPTION

Job title, reference number and location	Aawaz II: Research Expert				
Strategic Business Unit	Aawaz II	Country, region	Islamabad, Pakistan		
Pay band	LTTA Contract	Contract duration	Until December 2026		

PURPOSE OF JOB

Research Expert will lead and oversee research component of Aawaz II programme. S/he will be responsible for research and assessments design, sampling, developing research and data collection methodologies, development of research guidelines, instruments, and conduct both quantitative and qualitative research studies and produce evidence for programme learning, highlighting programme results especially behaviour change and citizens' engagement in line with Aawaz II theory of change and change pathways.

CONTEXT AND ENVIRONMENT

The British Council

The British Council is the UK's international organisation for cultural relations and educational opportunities. We create friendly knowledge and understanding between the people of the UK and other countries. We do this by making a positive contribution to the UK and the countries we work with – changing lives by creating opportunities, building connections, and engendering trust.

We work with over 100 countries across the world in the fields of arts and culture, English language and education. Each year we reach over 20 million people face-to-face and more than 500 million people online, via broadcasts and publications. Founded in 1934, we are a UK charity governed by Royal Charter and a UK public body.

About the project

Aawaz II is working with local communities to promote the rights of women, youth, persons with disabilities, religious minorities, and other excluded groups, to strengthen and facilitate their development. The programme has a focus on the issues of child marriage, gender-based violence, social cohesion, intolerance, to which marginalised groups are extremely vulnerable.

The Impact the Aawaz II programme is hoping to achieve is: A more inclusive, tolerant, and peaceful Pakistan, with less exploitation and intolerance. Aawaz II aims to achieve these objectives by creating a more protective and enabling environment for girls, boys, women, youth, religious minorities, the differently abled and those at risk of exploitation. Currently Aawaz II works with civil society partners in 15 districts of KP and Punjab, and at the provincial level through community level forums and processes include Aawaz Aagahi Centres (AACs), community- based and led Village Forums (VFs), and District and Provincial Forums. The programme aims to enhance capacities of local communities for behaviour change to reduce community acceptance of child marriage, gender-based violence (GBV), intolerance, exclusion, exploitation and harmful practices, promote social cohesion and tolerance, and provide information referrals and facilitate citizen-state engagement for uptake of services. The programme interventions for behaviour change and citizen-state engagement are driven by the Forum members and the Aawaz Change Agents (ACAs - young volunteers) supported by the AAC resource persons and Community Facilitators.

ABOUT THE ROLE

Research Expert is expected to design, conduct and oversee research activities. S/he will be responsible for assessments design, sampling, developing data collection methodologies, tools, quantitative and qualitative data analysis, analyse findings, extract themes and generate insights/summaries, presentations. S/he will contribute to producing high quality and varied research outputs, policy recommendations based on research

evidence for a range of audiences. S/he will support PMU to develop learning and knowledge management products and evidence to report behaviour change as per Aawaz II theory of change and change pathways.

KEY RESPONSIBILITIES:

- Design research studies (qualitative/quantitative) and undertake advanced research related to project intervention using or developing the appropriate research designs and sampling methodologies.
- Develop and contribute for research sampling, draft/review/update tools, data collection methodologies for research studies and analyse field level data using appropriate techniques, submitting final report with recommendations.
- Development of research instruments like HH survey, KIIs and FGDs guides for assessments for various research studies.
- Develop and finalise the research plans, and drafting of work plans, and field monitoring tools for each activity.
- Conduct and oversee qualitative and quantitative analysis relevant to gender and social inclusion, vulnerabilities, and pulse/ perception surveys, in consultation with the Aawaz II PMU.
- Supervise data collection and random spot checks and management during fieldwork (both virtually and in person) including moderator support.
- Draft and share coding structures (inductive and deductive) for qualitative data analysis and reporting.
- Analyse research results extract themes, generate insights/summaries, run regressions and other econometric checks and models etc.
- Drafting and preparing reports and PowerPoint, that capture relevant insights with strong visual insight.
- Contribute to producing high quality and varied research outputs for a range of audiences including analysis, report writing and presentations where necessary.
- Critically evaluate data and information and develop appropriate conclusions.
- Develop policy recommendations and briefs based on research evidence.
- Support PMU to develop learning and knowledge management products.
- Outline priority themes, quotes, scripts from data to report behaviour change as per change pathways documents
- Other duties as required in accordance with objectives, plans, and workload priorities.

KEY RELATIONSHIPS

The post holder will need to develop successful relationships with

- Aawaz II Programme Management Unit for all research and assessments related tasks.
- Report and work directly with the Aawaz II Team Lead

EXPERIENCE AND QUALIFICATIONS

This is a Research Expert role, which requires advanced university degree (preferably PhD or equivalent) in Social Sciences, Economics etc.

Key requirements are,

- Around 5-7 years of experience with national and international organisation, designing and implementing research (qualitative and quantitative) on social issues.
- Expertise and experience in research methodologies, quantitative methods such as designing surveys, using variables, regression and econometric techniques and qualitative research, such as ethnography, policy analysis, case studies, using different methods (focus group, IDIs, KIIs, outcome harvesting) and innovative tools.
- Experience working with qualitative and quantitative data stemming from behaviour change interventions, pre- and post-intervention research, evaluation studies, and protocol development for qualitative and quantitative research and interviewing.
- Knowledge and research experience in Aawaz II programme thematic areas will be an asset i.e. Child marriage, gender-based violence, rights of minorities, PWDs and transgender persons, social cohesion and tolerance.

- Good interpersonal and problem-solving skills, creativity and flexibility, ability to coordinate and build consensus
- Strong ability to organise work, meet deadlines, prioritise work under pressure, coordinate multiple tasks and maintain attention to detail.
- Excellent communication and writing skills in English,
- Experience of literature review and background research
- Excellent ICT and software skills e.g., MAXQDA, NVivo, STATA, SPSS, CSPro, KOBO or other

Other requirements: The post holder is required to travel occasionally and work unsocial hours.
